“ *Mary Alice, so sorry to hear about the passing of your mom. I was just thinking of her not too long ago. Didn't know until it was too late to come and pay our respects in person. She was like another mom to me in my "younger" days and a very special lady. I always remember her gravy that she used to fix us for breakfast (so good). I have a lot of happy memories of her and all of you and the places we went when we were kids. Just know that all of you will be in our prayers for the days ahead. Losing your mom is not an easy thing to go through but the beautiful memories you have of her will help and knowing that she is now with the One that she lived her life for will also make it easier.*

*Love you,
Linda*

“ *I have such fund memories of your mom, dad and all of you. We were fast friends and made lifetime memories. I'm so thankful to be back in touch. Please know that you all are in my thoughts and prayers during this time of loss. Comfort yourself with the fact that she is surely in a better place. Be blessed.*

*Much love,
Dian*

“Granny G, you were a strong willed, stubborn lady. Lee tells me I am the same way all the time, so I consider it an honor that I must have gotten it from you and mom. I can't begin to imagine how it will be and not spending Sunday afternoons with you. I caught myself yesterday thinking what time I was coming to see you. I'm gonna miss you so much and know you are dancing on those heavenly streets of gold with our Savior right now with your healthy new body! Knowing that is where I will find peace until I see your face again. Missing and love you
