“ We are saddened to hear about the passing of Bro. Harold. Him, Sister Frances and Jo are some of the best people we had the privilege of knowing. It was our honor to serve as the pastor of the church they were members of. Our thoughts and prayers are with the family, friends and many friends he leaves behind. Love you guys. “ Harold was a calm quiet gentleman. He walked my wife down the isle because her father had gone on to heaven before we were married. Everyone knew that you could count on Harold for anything. Once he took me and my daughter hunting on his land. My dad was not a hunter so I had never been and my daughter really wanted to go. We spent the night at Harold's cabin with his family. It was so much fun. I brought way to little warm clothing but my daughter had a big smile. Very early that morning Harold found us a place to hunt and watched over us in the dark. I don't think I have ever been so cold but I'll never forget that time together. He was such an amazing steadfast man, I want to be just like him. He is going to be sorely missed.

“ I knew Harold as a quiet, gentle man who loved the Lord, his family and his neighbor. Though I knew him but a short time, I came to understand that because of Harold, God’s blessings were showered on all who walked this life beside him. Because of Harold, the world was able to laugh and smile and the result is that world is better off because of the Christian man he was. Well-done good and faithful servant. Rest in the arms of our Savior Harold and sing His praises forever.

“ I only had the pleasure of meeting this remarkable man once, maybe twice. However, he and his beautiful wife made me feel so welcomed in their home and treated. me like family.

Good food, good conversation and funny stories of which I will treasure.

To the family, much love and many prayers as you lay your love one to rest. We're just walking each other home 🏠
