“ *R.I.P Pops. I still remember the first time I heard ya voice after I had got my mind right. You was the very first one that made me really feel like I had achieved something. You was the one that brought me to tears. Joyful tears. It was the simplest speech. All you said was "we all knew you could do it but you Marcus". I constantly remind myself that everyday. You will be missed. I love you pops*

“Bernie and Harry... So many good memories. Where would I start? My heart is broken. Been an awfully tough year. I have laughed with u guys til I cried. I have cried buckets, but always knew u had my back.

Friendships get less and less as we get older, but we met great friends that we could laugh, cry, joke with.

Our circle of friends are minus 2 beautiful souls.

I am so grateful that Bernie made it thru that awful time.

What a reunion yesterday would of been. Makes me hopeful they are together. Your family. My family. Kenny's family. Harry's family. Now home in God's presence....

We have lost treasures this year. Our boys are now waiting for us. Bernie and Harry we are better people for knowing you. I hope the Marine the Navy man and the gentle giant hugged each other from us on this side. We love u Harry. We will miss you. See you soon. Thank you for everything.
