“ Connie, Stefanie, Clorissa and the rest of the family, My heart is heavy and no words will ease the pain. I know Corey was so proud to be able to call John " Dad" also, and that they shared the same birthday and they both love Stefanie to the moon and back. Remember to breathe, and don't forget how much you all were and still are loved by one great man.

“ *That day I took Alex to see John, he was in a good mood seeing Alex. He was relaxed and happy to have a 5 year old to entertain him. This is the first time I met John. I am really saddened to hear of his passing and he in heaven with his daughter and family reunited. He really did suffered a lot and now he free from pain. I will be praying for you Connie and the family. I know it hard now on you Connie and it hard to say goodbye but stay strong for your family now the time they need you the most. Love angeline*

“ My thoughts and prayers go out for you all. It's been a very long time since i was a little girl hanging out at John's house with the girls. But i still remember how loving and kind he was to anyone who walked in his doors. John may you forever rest in heavenly peace. You will always be remembered and loved.

I use to spend the night John and Connie. I remember always going to Shines and getting hot fudge cakes . I am so thankful John received Christ as his Savior. For he has entered the Holy streets of that city. As was as it is and as much as he will be missed. Peace and comfort will come from knowing God welcomed him with open arms. Prayers for the family .

I enjoyed his calls on a TV show, he was so nice. I never met him but felt I knew him and his dogs that would be by his side. Seem to be a precious man and loved his wife and family. He will be missed. Pat Bishop
