“ I just wanted to say how sorry we are for your loss and sorry that we were unable to come pay our respects . I can truthfully say that you all had one of the most Godly mothers I've ever known . I enjoyed knowing Ms Hazel and your dad . I know they are together now and that they are happy . You all will be in my thoughts and prayers as you go through these next days . Sincerely , Carol Lister and family

“ *Mamaw was truly an angel here on earth. Anytime something was ever weighing heavy on my mind or heart, I would call dad and he would always say, I'll have your mamaw say a prayer for you. Knowing that mamaw was praying for me always gave me comfort because I always knew she had a direct line to our Lord and savior and that everything would be just fine and it always was. Though it hurts to lose such an amazing person, I know she's been reunited with her true love, is no longer in pain, and will still be watching over us from the other side just as she did in her living years. Until we meet again! We love and miss you mamaw! Rest in peace*
