I met Heath through my brother, Jimmy Hess (who always called him "Heathern"). Jimmy treated him like a little brother, always looking out for him. I know Jimmy will be looking out for him in Heaven too. Heath was a sweet heart and always a gentleman. My thoughts and prayers go out to his family! I'm so sorry for your loss! R.I.P. Heathern! Love always

“ *My heart is heavy. Heath was a sweet, sweet heart! One of his first jobs was at O'Charley's bussing tables and we quickly became friends. How could anyone not be won over by his devilish blue eyes and big smile! I would give him rides home from work and help his Daddy keep him in check! He would mow my yard for a 12-pack!! He is gone too, too soon from this life. Bill, I am so sorry for your loss. I pray you find comfort in your sweet memories. R.I.P. Heath.*

“ *When I heard the news about Heath, my heart just broke. My son, Andy, was a good friend of Heath's. Andy, Wil Foster & Heath became friends as very young children at Memorial Hospital Children's Learning Center where I work. I also became friends with Carol & Judy Foster. We watched these children grow and become fine young men. Andy & Heath shared so much over the years and had remained friends their entire lives. Not many of us as adults can say that. The Broom family was blessed to have known Heath. My prayers go out to all of those who are grieving, but I find peace in knowing God is in control and will see us through this. - Jessie Broom*
