“ My mother was the glue that held the family together. She was the best our family had . She was the example we will all be trying to live up to for the rest of our lives. She was the most godly person I have ever known. The times I didn't listen to her were the times my life went into the toilet. She was not perfect but the closest thing to perfect in my life so far I love you mother and it was an honor to she care of you I was not always patient with you but yiu always forgave me love yiou big

“ Janice, when I recently met your mother, I loved her sweet smile and happy, positive attitude. She was blessed to have a loving, supportive family, and I know she loved all of you very much.

We will continue to pray for you and your family as you grieve and adjust to the physical absence of your mom. May the knowledge that she is now in the presence of our Lord bring you comfort and peace.

*We love you,
Peggy and David Griffin*
