“ *I have been in in this family for a minute or two and the love has lasted through the years and tears and laughter and forgiveness and joy to last a lifetime. Relationships have come and gone but this family once in my heart never left me alone.*

There'll be a great reunion this day as my Mom and Dan greet Mac at the gates and commence the laughter as they once did on their earthly paths.

To know in heaven, I'll not be alone but amongst family and friends, my angels, who watch over the Earthly Souls❤️

We will miss your sweet smiling face Mac Daddy but, we'll see you again and we will know your by your laugh. Go in love, Grace
