“ Junior was more a brother to me than a cousin. He has always been there for me over the years to pray with me and help me anytime I needed him. We spent many a times at church singing and shouting and praying. Many times fishing and many family get togethers. I called often to talk with him and laugh over old times. We have not spent as much time together over the last few years as I would have liked but he knew that I loved him and thought of him often. He will be greatly missed. I will see you on the other side Junior. Love,  
Jerry and Sheryl
