“ Dear Members of the Box Family,
I knew of Hunter through his Uncle Mike who is a friend of mine at the Sportsbarn. Mike would fill me in on his well being and always shared an inspirational story. Hunter was a fighter and I know he is dearly missed. May God grant you His love and strength in this difficult time. May He also give you peace today and in the days ahead.
In Christian Love,
Rick Glenn

“ Fritz and family,
I knew Hunter well as both a baby and child and delighted at his intelligence and humor. I remember his John Lennon granny glasses and mischevous twinkle. As Jill's friend I was pround to know Hunter and remember him now with fondness.

“ As one of Hunters nurses, I did not get to spend a lot of time with Hunter but the time spent with him was truly a blessing. He knew what he wanted and how he wanted it done also I never heard him complain about anything. He loved to talk about old cars and knew a good bit about them as well. I also know that he loved his dad Fritz's more then anything. Hunter you will truly be missed. My heart goes out to his family and friends. Gone but not forgotten, R.I.P. Sincerely, Samantha G.

“ Rest in peace Hunter. The strength and courage that you showed during your short life was amazing. Most people would have given up, but not you, you fought to live, until you couldn't fight anymore. Your Grandma Sally loved you very much and now you are with her and Dusty.
