“ *My prayers and thoughts are with Hunter's family. I knew Hunter only a few months and he was a great coworker. One of the memories I will never forget is how happy he was when he received the jacket and coin they gave the Veterans at work on Veteran's Day. He came down the hall just smiling and couldn't wait to show me what they gave him. He will be greatly missed by many.*

Thank you Dustin! He loved it there. He took a picture in the jacket and texted it to me just after he got it. He was honored and it made him happy.
