“ It was a pleasure for me to share the same name with Ila. Also, to have a sister named Linda Ruth sharing her daughter's name, and Ila's middle name. It made me feel that we were kindred spirits and God put us in a family connection by design. Ila will be greatly missed. Love and prayers for each member of the family.

I loved this little lady, the times she has made us all laugh with her witty sense of humor, the most excited times I remember her is when Alabama would be playing, I think she was actually on the field with them in her younger days calling the plays. She will be missed. Praying for all the family. Love you.
