*Dear Smith Family*

*as a neighbor who lived just across the way, I have fond memories of Ina. The one's I remember the most were the visit's we had, sometimes we talked for hours. As we sat on her screen porch. I thought of her today as I sat to eat, for there on the table, sat the napkin holder she gave me years ago. May you all find joyful memories, to drive away the sad moments, when you miss your mother and friend.*

*Love and prayers

*Ina Mae and her family were the best of neighbors and friends. My parents lived next door and knew them all their lives and. Felt very much like family. I pray she is resting in the arms of the Lord. She was a devoted believer and lived it everyday. Praying for her family and friends.*
