“ PJ sorry I couldn't be there for Jacks service but know I loved your dad like a brother! He truly was one of a kind. I bet Larry Pardue and Roger McKinney welcomed him home. My thoughts are with you and Renee and your families. Jack always called me Keener Walker, I'll miss hearing that from him. Deepest sympathies. Stay strong. Eddy Walker

“ Renee-your dad was one of a kind, if you met him you remember him I think because of his smile! Your dad and Jimmy had a great time when they rode their motorcycles from Chattanooga down to see Stonehenge in Georgia. May all of the great memories give you comfort and peace. Our prayers and thoughts are with you Renee, Lee, Andrew and the rest of the family.

Jackie spent his life in service to his Country in the Military and as Postmaster. I always thanked him.

I was 12 yrs old when we met and have warm, wonderful memories. My deepest condolences to all that loved Jackie. I miss him and the books 'in progress' to never be added to his published book " Old Money".

I pray for God's Comfort and Peace for all that love and miss him 🇺🇸💖

“ I always thought Uncle Jack was the “coolest”. I loved spending time at the house when we were younger and the funny banter between everyone, with Uncle Jack always front and center in it. I will always only remember him smiling, laughing, and cutting up. Loved him to pieces and will cherish that I was able to visit with him a few times as of recent at the family weddings and birthdays. Love you Jack!

“ Jackie was one of my best friends and definitely the oldest of all my friends as we’ve been friends since he was about 12 years old I suppose. We grew up together and worked together at the Tivoli theater. We’re in the National Guard together. Jackie was the first person to ever take me fishing at Spring Creek and got me hooked and I’ve been fishing ever since thanks to him. We also hunted together in general had fun together. It was hard not to have a good time when you were with Jackie, I know he’ll be missed greatly by his family and his many friends. I was blessed to have him as my friend and I’ll see you again someday on the other side, God is faithful and I know you are with Him now I’ll see you soon.

Jackie, Judy, my brother Joe and I all grew up on Key West in Duncan Park together. We became friends when Judy was about 3 and I was 2. Their dad built a storm celler in the garage that ultimately became our Playhouse. All the kids in Duncan Park were very close and always had so much fun on Halloween. Jackie was a special guy and will be missed. Prayers for all the family members.
