“ I don't know if I will be able to handle another funeral. It is still in debate, but I have to pay my respects to you regardless. I'm so sorry I didn't see your friends request in time and I wish I would have just looked through them.

I was just telling Joseph a few weeks ago that I was so proud of you for becoming manager at Cookout. I know it's all you wanted and you took your job very serious. I AM proud of you and I absolutely hate that this happened to you because you did not deserve this. As much as you talked about him, I just know you are reunited with your papa and he is so proud of you as well. I'm sure of it. Rest Easy Jagger.

It was a pleasure to know you, and work with you. Now rest because you worked so hard. Especially at a young age whenever you started.
