“ Dear Anne, I remember Jim (Bo) as a great friend and work associate in the DuPont Process Control Lab over many years. He was so dedicated, positive and supportive of all who worked with us. He was a pleasure to be around. We also enjoyed being guests in your home many years ago. It is with great sadness and deepest sympathy to you and your family that I learn of his passing. May you be given strength to continue on remembering his life of contribution to others.

Sincerely, John Musser
