“ I met JD 6 years ago when we started RP. He has been our landscaper/ grader/ pressure washer and everything else ever since. He was a big man and full of Jesus. He was always smiling. Always asking how he could help. Always very thankful for any work we gave him. He was a great man and I know he is in heaven. I praise God for JD and the time I was able to spend with him.

“ JD was our landscaper at the Oxford. But more than that, he was our friend. Always ready to help our community grow, JD played a vital role in the creation of the Oxford p, and he was justifiably proud of how it turned out. We will miss him, his ever present smile and bottomless kindness to all. We pray for the family who know that he is in the hands of his Lord.
