“ Dear Family and friends, I am so sorry for your loss; along with the pain come many questions; Job in the Bible asked, "If a man dies, can he live again"? (Job 14:14,15)The answer is yes!. We can have the hope of seeing our loved ones again, right here on earth. (Psalms 37:29)Please accept my deepest sympathies

“ Jimmy.....I never in a million years thought that I would be writing a tribute to your life...I always thought that we would grow old and still be somehow around each other in our 90's. God had other plans though and even though I don't understand how come He took you now, it is comforting to know that He has you home with Him. I will forever love you....even though we were always seeming to disagree about something, we always seemed to let all that go. I love you and always will.
