“ *My prayers are for all of you who have loved Bobby and will dearly miss him as will I. He fought a courageous battle and will always be my hero, as well as the love of my life.....for 40 years nearly. He was at home and very close with his Lord when he peacefully slipped away on Tuesday, Feb 4, 2014. Thank you to all of you who have made his life happier or better in any way through the years and especially when he has needed you most. There are many of you and I will never forget your loving care for both of us. God Bless You All.*
