James Edward Fincher, 70 of Rossville passed away on Wednesday December 26 2018. He lived on dairy farms most of his young life and went to many elementary schools. He graduated from Chattanooga Valley High school class of 1967. There he was the co-captain of his football team. He was drafted into the army in 1968, he proudly served his country in Vietnam. He worked at U.S. Soil Pipe for 24 years until the plant closed down. He then worked at Custom Baking until the company closed down. He had diabetes and then went on disability and then retired. After one-year courtship he married his wife Cathy, who he has been happily married to for 47 years. He has two lovely daughters, Kristie Fincher and Amy Strickland, and four wonderful granddaughters, and two wonderful great grandsons. He has one son in law and two grandsons in laws. His parents Clifton Eugene, and Linnie Irene Gilbert Fincher are deceased. He has four deceased brothers, and one living sister, Shirley Fincher. He is also survived by several nieces and nephews. He always loved going to church and helping around the church. Still a member of Shiloh Baptist Church in Rossville, but did not get to attend due to his health problems. He always worked in his yard and kept a neat home for us. James was willing to go above and beyond to help anyone in need.

“ *What is a best friend? My brother, Floyd, died in October of this year. While Floyd was taking treatments for cancer, James showed up at his house and cut his grass. And James did this several times during the summer while dealing with his own health issues. Like a lot of us, James may have asked if there's anything I can do, let me know. But James went beyond that, he showed up to help. James was always there for my brother. James Fincher is my definition of a best friend. My condolences to Kathy and family.*
