With a degree in the medical field, Jamie spent his life working and helping others. He was a friend and brother to many. His kind heart for helping others will live on in our hearts and souls. Jamie was a person who could laugh at things easy and you would laugh right along with him. His deep voice and his loud chuckle could be heard in every room. You always knew he was there. He will be missed dearly. Until we meet again. We will think about you always. We will talk about you still. Forever in our hearts, my brother and my friend.

A Celebration of Life will be announced at a later date.
