*Hey my friend, it's going to be really hard not having you around. I wish I could have seen you one last time but I guess we'll save that for the other side.*

*You were definitely my best friend from the first time we met. I don't think there was anyone that like fishing more than you and I. Catch all the big one's up there and save me a seat in the boat up there. Man I'm going to miss you brother..Love you buddy*
