“ *I'm sorry to read of Jim's passing. We dated in the early 90's. He was a true gentleman. I've wondered where his path took him after we broke up. Prayers for Jean, Carla, and the rest of the family.*

“ *Dear Jim,
We'll all see you soon enough in paradise. I know you are up there with granddaddy, free of your mortal vessel. I also believe that you are up with Johnny Cash himself, singing "One Piece at a Time", with you on guitar. I'll miss you, good sir.*

Love, Thomas

“ Jim-

Many thanks for being a such great brother-in-law, uncle, and friend to our entire family! We will always miss you, but it's comforting for all of us to know that you are now home with your Daddy and Granddaddy!

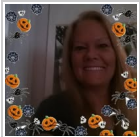

Also, since you are with the Big G, please ask him directly to watch over all of us while we finish out this earthly journey and until we make the transition from this life to the next, eternal life.

Your wonderful and enduring smile will always be with us until we meet again!

Pax and agape,

Ed
