“ How sad to read about the death of your dear one on Monday. We all long for the time when "God will wipe out every tear from their eyes and death will be no more neither will mourning nor outcry nor pain be anymore. The former things have passed away."(Rev.21:4). Allow our loving Heavenly Father give you comfort and peace as you deal with your grief. My sincere sympathy to all the family.

“ I'm a good friend of Kela his granddaughter. He was a sweet loving grandfather that loved his grand babys so much. He would always ask me about my son every time he saw me. The last time I saw him he was so excited that I was pregnant with my second. I hate he never got to meet him. He joked about how he wished Kela would have more. He loves Myles his great grandson with all of his heart. He shared with me he wished he got to see him more. He loved his family so much and made sure everyone knew that.

“ God works in so many different ways and how this family has become apart of my family through the years. When I was 20 I worked with Betty at Rossville Fancy Yarn, at 25 I met Allon at the PRA where both our sons played ball. At the age of 16 Jeremy and my son Josh became close friends as Jeremy was at my house all the time. At the age of 29 I was honored to offer a job to Jeremy and he has now been my employee for 11 years. Allon I can't say enough of how blessed I am to have you and your family become apart of my family. As a parent we never know the job we are doing but I can honestly state that you had definitely given your family the love and direction as you and Betty have great kids who I love and cherish as well! Allon thank you for the years of friendship you have given to me, I LOVE YOU BROTHER, and I will see you again someday!

“ Our family have known All on and his family for over 40 years. We use to catch up with them at Wal-Mart or Hamricks. He always displayed a sweet spirit with a smile. Soft spoken with integrity and love. A wonderful Christian. Condolences to the family. Your loss is Heaven's gain. The Ingrams

“ My memory of my cousin Allon is where anytime I saw him, no matter when or where, he always had a smile on his face! I will always remember him that way! I'm sure he has a huge smile on his face being in heaven now!
