“ *Mary Ann,*

*I hope Perry has seen Susan, if so it will be a great reunion. She respected Perry and said she learned a lot from him. I, however, wasn't fortunate enough to have him as a teacher. (I think all the girls in his class had somewhat of a crush on him.) I'm sure you knew that!*

*I don't think I ever saw him without his infectious smile. I know all of you will miss him. My heart goes out to all of you. I so wish now that I'd attended Homecoming this year. I didn't know if I could have handled it. I wish I'd been there to see Perry one more time.*

*My heart and love are with you and the family. I miss all of you and think of you all lovingly very often. I have been reminded recently, how hard it is to give up someone you love so much.*

*God be with you and bless you all.*

*Love to All,  
Charlotte Bible Wardlaw, and Jimmy*

“ Aunt Mary Ann, Kelly, Jim and Barbara Jane,

*My thoughts and prayers are with you all. Please accept my condolences and kindest regards.*

*Uncle Perry used to take me along on his tractor when it was time to bring the cows in for milking. He would let me "help" him milk the cows. I always learned something new from him every time my family would visit his farm. I always admired and respected his way with animals. Rest in peace Uncle Perry.*

“ *I played football with Perry at Red Bank High and found him to be the consummate good sport and a gentleman. My association with him over many more years continued to confirm those observations. My condolences and sympathy to his entire family. I am sure he will be sincerely missed.*

“ *The La Fayette Library has lost a true friend and gentleman. One of the highlights on Thursdays was to see Perry and Mary Ann walking into our library. Extra highlight when I'd catch Perry sitting at Walmart reading a book he'd checked out at the library. Will really miss his smile and visits. Thoughts and prayers to Mary Ann and all the family.*

*Mary Ann, my thoughts and prayers are with you and your family. We haven't seen each other in years but I remember the good times we had growing up and then Bill and I with you and Perry in high school. Times flies by so fast but I know you have enjoyed your family as much as I have enjoyed mine. What would we do without them.*

“ My poppy was like a second father to me. He will be missed more than my words can express. I am just forever grateful I was able to bring both of my children down to see him and spend quality time with him. I will also be forever grateful we decided to name our first after him. Love you Poppy
