“ I’m sure gonna miss my uncle Nathan. He was a big part of my life especially as a child but I grew up went on with my life but still I carry uncle in my heart I will never forgive how excited he would get when I would call or go
See him. It never changed no matter how old I
Got. I will never forget the trips to dairy Queen nor all the dollar bills I could get out of uncle and everybody who
Knew him knows you had to be pretty special to get that. Uncle was always special to me. I’ve never known anyone like my uncle. I will forever be his little stinker.

“ We had so much fun and laughs in the craft stores and just loafing around town. I truly wish we could loaf together one more time.

“ *Nathan was a loving person. During the darkest point of my life, he reached out to me and I cannot put into words how much that phone call meant to me.* ”
