My deepest sympathies to Pops and the rest of the family. I've only know Jimmy for a little over two years but he was one to be remembered. He was the friendliest, craziest, (in a good way) guy and he treated my family the best. My prayers are with the family at this time of sorrow.

“ I want to send my deepest sympathies to you all. I met Jimmy working at the City and we instantly became friends. He was so witty and funny. He was always sneaking up on everyone and scaring them, myself included. I remember one time I actually was able to sneak up on him and scare him! He praised me for doing it, told me he was proud of me and said I got him good. It was the best feeling and we both laughed hysterically. I will miss him dearly. I always enjoyed when he would come see me in the mail room and visit for a while, there was never a time he didn't make me laugh!!! My thoughts and prayers are with you at this time.
