“ Jim, its been a few years since I seen you last, but you always loved and cared about me and for me like I was your own, I remember jumping in the recliner with you watching movies and eating ice cream, even though I was 14 and 15 years old. You always kept me outta trouble with mom, and if I wanted something all I had to do was tell you. You bought me my first car lol, even though it was 4 door wasn't long till we traded that ol thing in for "little red mustang" even though it was a ford, lol let me get it. All the trips and car shows with you were a blast, and I'll never forget laughing at you in New York, while you were doing the twist at the dance, we had some fun times laughing and joking around all the time. Sorry your life ended so unexpectedly, I can only hope that you were ready to go, Prayers for peace and understanding for your friends and family

“ I lived beside Jim for many years. He taught me what it meant to take care of your car and keep it looking good. He was always there for me when I didn't know what to add to my truck next. Your a great man and taught me a lot I will miss you dearly. I got married and moved to alabama but every time I would go see my family there you where mowing and waving. God bless his family and give them peace.

“ So sorry to hear of Jim's death, I was just in Chattanooga for a reunion and was talking about him. My deepest condolence for his wife and family. It is so great to see he had such a big family. I knew Jim and Janice thru school but lost contact with both when I moved. May God help you all find peace during this time of sorrow.

“ So sad to hear about Jimmy passing. It is also equally sad to hear about Janice passing. I grew up with both of them during our childhood in Glenwood and then East Ridge area. They were both good friend growing up.

“ I will miss Jim very much. I have very few people I call my friend.
Jim Oxford was one of them.
GOD must have had a car he needed restored, to have called Jim
home.
