“ When I think of Mr. Whitt, I think of so many special memories. I was one of the nurses that cared for him @ the VA in Nashville. I remember how fondly he remembered his mother, how often he talked of his son and daughter, and spoke of his grandkids. We talked so often of his love of gardening. He loved to laugh. He put up a violent fight. I was saddened to hear of his passing and will always remember him fondly.

“ Hoss was little(as I was too) when my dad, J.D. Whitt would visit his dad & take us with him. I'm 66, so it was when I was about 9 or 10 yrs old. My dad was 1st cousin to James-Hoss's dad. The ride up Lookout Mt. was thrilling when I was young! & our dad made it more dramatic than normal, we lived in Brainerd, but the mountain is so beautiful, we go to the Mt. Olive cemetery where my mom & dad & nephew, Billy, are buried occasionally. I especially like to go there in the spring when all the flowers are in bloom. I remember his sweet mom & dad, Elton & Lena & Buddy. I don't remember Elton's 2nd wife that well, but I remember meeting her once. My sisters Carol, Lana, Theresa, all live here in Chattanooga, our brother Jeff lives in Murfreesboro, we have a baby sister Becky who passed-away in 2009..
