“ Hi Jamie. I hope you are doing okay today up in heaven. I had a very good day.yesterday. both Tammy and Ronnie came out to see me. And they brought some Krystal hamburgers to eat for lunch. And Tammy brought me a couple of late gift bags for Christmas and Valentine's. They were full of candy and cookies and a couple of very special pictures of you in your lovely pink and white poodle skirt outfit. And your lovely and shiny Mary Jane shoes. I think about the time they had an oldies party at the bar on east 23rd street. I wished I got the chance to dance with you that night. I would have love to dance with you. I miss you every day Jamie. But I know you would want me to continue with my getting better and to get back. On my feet. Which is what I'll do.and when I do. I'll have God to thank and I'll have you to thank for believing in me. I got to go do my workout. God bless you Jamie. And I love you. Richard

“ Hi Jamie. I hope you're having a good day today up in heaven. I had a great day today myself. Tammy and Ronnie came by to see me today. We sat down. And ate Krystal hamburgers. We talked about the good times we had when I worked as security at the bar at the motel on east 23rd street. All the times you and Tammy sang karaoke. And the times you and I danced on the dance floor. They brought me some late Christmas and Valentine gifts. Including a couple of pictures of you in your pink and white poodle dress. And your shiny yet pretty Mary Jane shoes. I wished I got to dance with you that night. It would have been an honor to dance with you. But one day we'll be together. And we will have fun where you're living right now. I love you Jamie Lucinda. God bless you my princess.

“ Hi Jamie. I hope you're having a very good day up in heaven. I've had a great day today because Tammy and Ronnie came by to visit me. We sat down and ate some Krystals. we talked a lot about the good times we've had at the bar when I was working as security on east 23rd street. Tammy even brought me a couple of gift bags. One had a couple of pictures of you in your pretty pink and white poodle dress. And your pretty yet shiny Mary Jane shoes. You looked beautiful in those shoes and that dress. I wished I got to dance with you that night. And Tammy told me that she had your last Christmas picture before you left all of us. I hope she finds it so I could have one last memory of you. Cause I know one day I will get to hold you in my arms for real. And one day we will be together cause I miss you a lot. but for now. All I have are your pictures. And I carry them with me to physical therapy five days a week. Cause I know you're up there watching me to make sure I'm doing okay. God bless you Jamie Lucinda. And I love you. Your biggest fan.

“ Hi Jamie. Its hard to believe that it's been a year ago that you left all of us. I saw your old high school picture in today's paper. You looked as pretty then as you did whenever you come to the bar along with Tammy and Ronnie. And when we go out on the dance floor. I miss our dances. And one of my plans when I got back on my feet was to dance my very first dance with you. And now I'll never get to have that chance. But I will do something to honor your memory. And to show you how much you mean to me.and to tell you how much I love you. Jamie I give you my word. I will work hard to get back on my feet. And be your buddy and to give you a reason to give me a big bug. God speed Jamie Lucinda. And I love you.

“ Hi Jamie. I sent you a text telling you how heartbroken I was about the fact that it was the first Christmas without you. We all felt the same way about you not being here for the holiday that you love so much. Where you are now. Everyday is a holiday. Cause the man whose day we celebrate every year is taking care of you. Like I would when ever you and Tammy would come out. And in February it will be Valentine's day. And remember the time I bought you two very special gifts. One was a sparkling pair of pink dress shoes. The other was pair of Dorothy's Ruby slippers. I knew how much you loved them. That was why I got you the shoes cause I love you Jamie. To me you're Cinderella a princess and Dorothy all rolled into one. One day we will be together. And we'll have fun and dance all the time. I love you Jamie Lucinda. And we will be together some sweet day.

“ Jamie. For the first time. I'm heart broken cause it's the first Christmas I had to spend without you. I'll never forget the time when on karaoke night I gave you a very special gift. A sparkling pair of silver shoes. I remember you told me you liked them. And on the Saturday night before Christmas you and Tammy came out and you wore the silver shoes. And we danced about 5 or 6 times on the floor. I felt like I was dancing with Cinderella. I was honored to have you as my dance partner. I know you're up there dancing on the streets of gold. And that you are very happy. I will be back on my feet Jamie. And I know you'll be proud of me cause you believe in my making it. Happy new year Jamie. And I love you.

“ I will never forget the special way Jamie made people feel. She was the most loving and kind person I have ever met. I know she was loaned to all of us by God Himself to make that difference in each of our lives. We will cherish her memory. I am deeply saddened by her loss and my condolences go to each of her family members and other friends. I cannot help but smile when I think of where she is at this moment...laughing, dancing, singing and hugging every angel in heaven . She is sitting on the lap of Jesus our Savior and telling him all about us. Love never ending is Jamie Pope.
