“ Dear family,

I am so sorry for the loss of our beloved Janet. She had such a great sense of love, life and family.

I didn't get to see her very much, but on one special trip to see my parents, I remember her bring her crochet bag full of goodies to share with me. It was a new found love of mine and she could not wait to share it with me.

Her Facebook posts always made me either laugh, or inspired me or made me really really hungry. 😋 Whenever she saw ANYTHING that had to do with Starbucks, she would always tag me in it. I'm going to miss that connection with her.

Please know that she is watching over you, guiding, cheering, and nudging you forward. She will still celebrate your victories, cry with your pain, so look for her in those times. She will give you signs that she is there. You will know it.

Until you meet again, I pray God's peace over you all.

*Love,
Angie*

“ Janet left a void in all of our hearts, but that is because she touched each and every one that crossed her path. Everyone that had a chance to know her left a better person because of it. I wish I could go on FB and send her to the corner one more time for posting those pictures of yummy desserts. We used to laugh so hard about it and it got to the point where I would just say 'Janet, you know'. She was a class act and my message to her family is I am sorry for the sorrow you are going through, but once you get through this you will be so proud for having her in your life. She taught us all to be kind to one another. R.I.P. my dear friend, you are missed terribly but will never be forgotten. God Bless your family and many many friends.

“ *There are so many things I could say about my mama. She was a beautiful and loving mother, wife and Mimi. I loved her very much, she was my best friend as well as mom. My life will be so different now without being able to share everything, big and small with her. I can see she was well loved by others and will be missed many.*

“ *You will be remembered as the laughing, sweet Angel you were to those around you. We had much fun together working late at night on Lad to Leader art and scrapbook down at the church building. You will be missed very much, but I hold you in my heart always. Go REST now, and say hello to Mom when you see her. Love you always, Angel Girl!*
