Jan was a wonderful friend and neighbor. Her and my Mom were close friends. Our family adopted Jan as family and she gathered around my parents kitchen table and ate Sunday dinners and holiday gathering with us. She made the coffee most times. She loved on our kids and grandkids. Gave us many Christmas presents. She was a special lady. She loved us all. Gary and her would joke around a lot. Gary was there for her during her sickness. So thankful she is not suffering any more. Rejoicing in Heaven with Jesus and her parents, my Mom and friends. You will be missed. Love you, Connie and Tim Williams and Amy Bloom, Lisa Young, and Jessica Hall and families.

It would be a disservice not to mention what a wonderful great aunt she was. She was so close to my grandpa and truly loved being an aunt to his kids all the way down to her great-great nieces and nephews. I am so thankful for all of the years we spent going to visit her with my grandparents. I am even more thankful she started coming down to Pensacola to visit these last several years. She loved coming to visit and I am glad my kids got a chance to know her throughout all of those visits. She thought they were so funny and I will miss that wonderful laugh she had. What a treasure our family has lost. Love you forever Aunt Jan. I wish I could come there to honor her this week, but you will live on through all of us. My grandma has often said I had her sense of humor and if that is true, I am happy to say it.

I am just seeing the passing of one of my dearest friends and so sorry to hear about Jan's passing. She was my first manager at Provident. She was wonderful and made coming to work enjoyable. She always keep us laughing while maintaining her position as a Professional Manager. Truly an Angel and I thank GOD for placing her in my path.
