“ *If you know Leland then you know he was a wonderful person. He had a laugh that was contagious. Every single time I saw him, my day was better. He always had a story to share and left a smile on my face. Oh and he made sure I never ran out of mints. I dread the day That I get down to my last box. He taught me how to make the best baked beans although mine are never as good as his. If you know Leland you would also know that he loves his family more than anything. Nothing better than seeing his face light up while talking about them. God bless you all, I know you miss him terribly. He was a GREAT man.*

“ Leland was a great guy he was always willing to help me with the Jr.leagues at Fort lanes. He even shaperoned when we went out of town for the kids Bowling tournaments. Leland was a good friend to me even though we've not talked much the last few years but Leland will always be highly thought of great. R.I.P old friend. Prayers for the family.

I've known Leland most of my life...we grew up in the same community, attended the same school, shared many of the same friends and in later years worked several years together at Synthetic Industries (as it was known during the 1980's & 90's) as well as spending fun times at Fort Lanes on various bowling leagues. He was an awesome fellow; a hard worker, a lover of bowling & soft ball and a dedicated family man. He always had a big smile on his face any time we were talking about his daughters. My heart hurts for his lovely family as I have no doubts this is such an incredible loss. I hope the many wonderful memories & the great love they shared will bring comfort to them.

Many fond memories flood back to the late 60's and 70's. What great times we all had. Thinking of and Praying for the family.
