“ My first symptoms of ALS occurred in 2014, but was diagnosed in 2016. I had severe symptoms ranging from shortness of breath, balance problems, couldn't walk without a walker or a power chair, i had difficulty swallowing and fatigue. I was given medications which helped but only for a short burst of time, then I decided to try alternative measures and began on ALS Formula treatment from Tree of Life Health clinic. It has made a tremendous difference for me (Visit www.healthcareherbalcentre.com). I had improved walking balance, increased appetite, muscle strength, improved eyesight and others.]

“ Dear Family and friends, I am so sorry for your loss; along with the pain come many questions; Job in the Bible asked, "If a man dies, can he live again"? (Job 14:14,15)The answer is yes!. We can have the hope of seeing our loved ones again, right here on earth. (Psalms 37:29)Please accept my deepest sympathies

“ Coach Bass coached my son at Rossville Middle School. Jay was such a positive influence on Daniel and they became very close. Daniel was killed in November of 1990 and Jay took it very hard. He loved his kids and they loved him. He will truly be missed.

“ Jay is now where he has looked SO forward to being----with our Heavenly Father for eternity. Even though we competed at arch-rival schools, Jay and I became close Brothers in Christ these past few years. Jay and his godly attitude inspired me so often. Jay lived his final years for THE only reason that matters in eternity---glorifying his Lord and Savior Jesus. We will miss Jay, but I am overjoyed for him today.

“ I'll never forget coach Bass. My dad Ike Torbett loved coach Bass as well as the rest of the Torbett family.

I was the water boy for the Rossville Bulldogs when I was 9 years old. One day before practice. Coach Bass and another great coach and friend mike sholl TIED me up and and TIED me in the back of his truck so I couldn't run around and harass them. Such a classic memory.

The other funny part of this story is the fact that Dad didn't realize I was missing until late into the practice.

I also played football with Jason at UTC in the early 2000's.

I am Sorry for his passing. His legacy in this area will live on forever. May God bless your family and help you through this holiday season.

“ I am very sorry to hear of Jay's passing. I was on several baseball teams with Jay as a youngster growing up in Fort Oglethorpe. Even then he could run very fast so when UT came calling with a football scholarship, it did not surprise me. Jay was a good athlete and an even better person. My prayers go out to his family.
