“ I met Jeff at The Rock MCC Chattanooga back in 2001. He was kind and funny. A gentle soul with a lot of talent. I had lost contact with him and had been searching online for contact information. He is now reunited with family and friends who have gone before and I have faith I will see him again. Rest in Peace my friend!

“ During the time I knew Jeff, he was one of the most diligent, conscientious, and hardworking colleagues I have ever had the pleasure of working with. He was meticulous in his craft. We became friends and enjoyed having breakfast before work once a week for some time. At Jeff's insistence, we would always be the first ones through the Shoney's buffet! Before we ate, he was eager to close his eyes and bow his head as we thanked God for our blessings and for forgiveness of our sins. He was encouraging to me and a joy to be around. Prayers for peace and comfort for family and friends.
