Bless your heart Jemmy. You were as goofy as you were good. You had a good heart and never not once turned anyone down that needed help. Even if it was chasing my baby goats barefoot through woods and a junk yard down the road. You were determined even after I gave up and said let them go, you stayed with them and chased them until you caught him and brought it back to me safe and sound, feet bleeding and all. I tried to pay you \$25 and you wasn't having it. Because of your unselfishness, this I know you're in heaven today. You don't go through life being that kind of person not expecting any rewards for nothing.
Rest In Peace buddy. Nick, I & our kids miss you.
