“ One of my best friends ever ... my ride or die for along time... we spent more time playing darts and just talking ... love ya big jen.... I'll always think of u and the thought of u never answering the phone or walking through the door... I can hear it in my head what u would always say... ur already missed

“ No matter the situation you always knew how to make me feel better. We'd laugh for hours about such stupid stuff but we always had a great time. Kristie misses you so much. It's hard to watch her and I try thinking of something that you might say to make her smile but I never can. One thing is for sure. There will never be another person like our Jen-Jen.
