“ Jenny and I met when we were in church youth group. Due to Jenny’s sweetness, we became best friends. Jenny was the beautiful maid of honor in my wedding. And we even took several trips together one of which was a snorkeling trip down a river in Florida. We had to rent wetsuits and when we went to try them on, we laughed until we cried trying to get into those silly suits, looking back on it it’s one of my favorite memories. Jenny was the first person that found out that I was pregnant with my first child. My heart and prayers go out to Jenni’s family, especially her beautiful girls.

“ I worked with Jenny at the YMCA she was one of the sweetest souls I have ever had the pleasure of knowing. She was so full of knowledge and was always eager to enlighten me on something. I had some of the most thought provoking conversations with her and we had plenty of good laughs. Many prayers to the family during this time, may God give you comfort and peace.
