“ Praying for the Cagle family, Dear Lord please be with the Cagle family during this time of grief and allow them to find an understanding in their heart and minds as to your will being done and a peace in their souls knowing that although Derek's physical life has ended ever so quickly it's his eternal life that has graciously begun. He is now with our Lord and savior and lives where streets are made of gold and pain is non existent where he can watch over his family and friends until one day when they will meet again . Amen. Peace be with you Cagle family and friends. Our sympathy goes out to you in this time of grief. God bless you all.

I was Derek's second grade teacher. I remember how much he LOVED cookies. I remember that when he counted change he put the money in piles that equaled a quarter. "That's a quarter," he would say. I can't believe he is gone.
