“ *This was senseless violence, the man did nothing wrong! They shot up the house and the Windows out his truck ! And for what? I am sure it wasn't his doing! The man was the first man i had ever seen truly love my sister, god knows she can be hard to take! If he would have had a gun he may still be alive! I was there until this happened! He was so good to Julie, no man since our daddy had been so good to her! He was so young also i hate blackbottom and everything associated with it! Im sorry Julie, you won't ever find another like Jeremy Little!*

“ *I've known Jeremy since he was 6 yrs old when he became best friends with my little brother T.J Holland. Where one was the other was also. They had a bond they made them as close as blood brothers. He was welcomed as part of our family. Growing up in the neighborhood. We all knew Jeremy as a good friend. He was not a fighter. I don't know of any moment he had bad words with anyone. I was happy in knowing my brother had a boy as a friend with an unexplainable innocence. I will always hold him dear to my heart as a brother and friend. R.I.P. for you will be missed dearly. 🥺🥺🥺*
