“ Mary,

Jim and I are so very sorry for your loss. I know that you, your children and grandchildren will miss Jerry very much. As will many other family members and friends.

I didn't see a lot of Jerry after we became adults but I do have memories of him always being able to make me laugh when we were kids. He was always the clown in our group and the one who managed to keep the rest of us entertained. These memories are happy ones for me.

My sincere best wishes are with you and your family.

“ *Our prayers and thoughts are with the Mary and the children. Jerry was a very special person in the lives of the Powell Family. We remember the many times that Jerry and Mary would take our oldest daughter Kristy riding on Sunday afternoons to get "ice creamy and frenchy fries" He will always be remembered as a very dear friend to our family. May the Lord give the Bradshaw Family comfort and peace in this time of sorrow.*
