“ I first met Jerry through my mother in 2010. I was witness to his decline in health over the last years of his life. I got to see him regularly right up to his passing, he would have me get him 2 chocolate milk shakes from steak and shake. Only to add them to his collection of old chocolate shakes in the refrigerator.

*Miss your dry sense of humor Jerry. You and momma have to be partying up there*

“ Very sad to learn of Jerry's passing. We moved to Virginia and just heard the news. Jerry was a good friend and associate at Ronnie's and Scottie's repair shops. Learned a lot about engines from him. Best guy with a hammer, I have ever seen. James Patrick Romano 423 645 9383
