“ I've known almost my entire life and I am at a loss for words. You were such a good man and everyone loved you. I promise you that I will stay close to Patsy and be there for her when she needs me. You were such a boost to my self esteem at 18 years old, I will never forget that. I will never forget how much you loved Patsy and how happy you made her. Thank you for that. I'm sorry for all the times I told you to be quiet when Patsy and I were trying to talk on the phone. I will miss hearing your voice in the background when I call Patsy. You never met a stranger Jerry, and you were loved by many. That was so evident by the number of people that I saw today. Rest in Peace my friend, I will miss you forever.....

“ Jerry was a good husband, father and grandfather (godfather) He was truly a good man. Jerry and Patsy always made me feel welcome in their home. I wish I had the perfect words to express how sad his loss is. Patsy I know your heart is breaking. I know while we are all grieving here; he is having a wonderful time in heaven. Some day we will join him and have a wonderful family reunion. Until that time we will cherish our memories of Jerry.
