“ David "Holder" was a good man. I learned a lot from him both personally and professionally. I rely on that wisdom more than he knew. Holder was always good for a laugh or a good fish story. He will be missed by me and so many others.

“ David was a great person, friend, mentor, employee, among many other roles he walked in his life. We had a many of spirited conversations in our 8 years together at MHC - Chattanooga, and we always came to the center of a good idea at the end. I have many fond memories of sitting in the phone room and talking shop with him in the early mornings. His smile could light a room, and he always had the right thing to say in the midst of any pivotal moment. I will miss him. Prayers for the family.

“ David was a true friend that I was proud to know. We worked together many hours in the fire and rescue service accomplishing much for the community and county. There are many stories I could tell, some good and some bad. My career took me away from the area many years ago but I remember David as a true friend and partner that we trusted each other with our lives. I also know David was a True Man of God. Lord please bless and comfort his family. My prayers are with you.....Rob (Gary) Cooke
