“ Spent many a weekend with Jerry during our time together in the Army Reserves, not all of them happy. We butted heads many a time but I still thought the world of him. My thoughts and prayers go out to his family.

“ He's was a great brother. I have a lot of great memories of our childhood together. I loved him dearly. And I will think of him every day. Go rest high on that mountain brother.

“ I worked with Jerry at Buster Brown. I have thought of him so many times over the years, but did not know where he was or how to get in touch with him. He was a wonderful guy, and was always looking to help. I am sad to read that he has passed too soon. I'm sorry that I can't be there to honor his life. My heartfelt condolences to his family.
