“ Thoughts and Prayers for Jerry’s family. He was a true friend throughout our school years although the military, careers that took me out of state, I lost track of so many of my classmates. Jerry was always carrying that ever present smile and finding the positive aspects to life. A brother in arms as a military veteran, Godspeed my friend.

“ Dear Marie & family,

Dave & I were very saddened to read of Jerry's passing in today's paper. Meeting you & Jerry at the Blowing Springs Farm event those years ago, socializing with you and then having Jerry as a fellow partner while working at Rock City Gardens were all very enjoyable experiences; he was indeed an awesome fellow! Our hearts hurt for you as you deal with this incredible loss. We hope the many special memories you created together and the love your family shares will bring much comfort during these days ahead. Please know you are in our thoughts & prayers.

*With love,
Deb Ellis*

“ Jerry, You are one of a kind. I know it has been 55 years since we graduated from the CLASS OF 1965, ROSSVILLE HIGH SCHOOL and we lost touch for several years, however when we started 1965 Lunch Group back in 2011, we became better Friends than ever. You were a wonderful Friend and I am going to miss you as if You are a Family member. You are a Great Person and You will be missed by everyone. We all Love  you.
