“ *Jessica Leann Lynn. I will always remember you as "Juicy Fruit". I can recall many fond memories of our childhood: Like playing with barbie dolls together. You letting me put makeup on you and doing your hair. I used to love making you laugh. Mamaw did too. You loved anything to do with music but that pretty much runs in the Taylor blood. I always wanna remember you as you were when we were kids. That's when I believe you were at your best. You could run and play and sing. You're getting to do all those things now. The things that made you the happiest. I'm gonna miss you so much. I hope when I get there and see you, you're there with mamaw with your hand out to grab mine so we can walk around heaven together. All three of us can go sing and talk and laugh with Jesus. Oh, what a day that will be!*
