

Jewell Diana Moore "Diane" Barkley

March 13, 1976 - May 10, 2026

Jewell Diana Moore "Diane" Barkley, age 50, resident of Rossville, Georgia, passed away on Sunday, May 10, 2026 at her residence.

Mrs. Barkley, daughter of the late Charles Willard Moore and Lois Lee Defur Moore, was born March 13, 1976 in Chattanooga, Tennessee. She was a homemaker and Protestant by faith. Mrs. Barkley enjoyed being outside taking pictures; going shopping; and taking trips to Gatlinburg with her family. While at home, many would find her decorating the yard; cleaning her home; or spending time with her dog, Bitsy. She also might be watching action/crime or fantasy shows on television; listening to classic country or 80's rock music; or being on TikTok. But she always looked forward to spending quality time with her family and cooking for family and friends. The family remembers her as a lady who loved her family immensely- and was "a true defender of her family". Besides her parents, she was preceded in death by a brother, Timmy Raisler. Mrs. Barkley is survived by her husband, Charles E. Barkley; one son, Joseph Woods,; three daughters, Kristen (Joshua) Boshears, Emily Barkley, and Abby (Kenner) Zuefle; four step-sons, Leslie Hood, Charles Barkley, Jr., Joel Barkley, and John Barkley; brother, Jimmy Raisler; sister; Linda Hardin; 11 grandchildren, Jaylen, Haven, Kaitlynn, Joseph Jr., Carson, Leah, AnnLee, Joshua Jr., Krystal, Jade, and Spencer; and two more on the way; many other relatives and friends.

“ Diana, you truly will be missed. One of the greatest memories that I have is one that was a couple of years ago is when you called and asked me if I would marry Abby's and Kenner. I thought it was such an honor for me to do so, and I was so excited to see them to take that very next step in their life. Nevertheless, down the road just a few years later that we would be faced with such a dilemma that we are faced with now, never would have imagined it. One thing is for sure. I sure will miss you thank you for bringing the most precious sisters. I have in the world to love them, and to help keep them on the right path or at least do my best. I love them with all my heart. I love Kristen just as much. There's no difference. She would always be my sister no matter what. Thank you for all the years that you took care of dad in your own way, that's what made you who you were you are an awesome person to know. Thank you for all you have done for all of us. We all Love you and are going to miss you.
