“ It breaks my heart knowing that I won't be seeing you again. I'll cherish all our times of being at the mission, the parties in your front yard, all those baby showers, and the huge slip and slide we had one year... I know your in a better place now... The pain of losing you will never fully heal but knowing that you are with Jennifer now, does make it a little easier for me..
I love you..

“Dee, there will never be a day that something does not remind us of you. You left your imprint on everything at the Mission. Every time a singing, dancing toy, lava lamp, pair of boots or an old western movie comes in, I will think of you. I will remember you every time I see a dented can or a pecan pie or candy that is pure chocolate. You had a heart of gold and a child like enjoyment of all things. You knew everybody in town and could tell about things that happened so many years ago. A regular "fountain of knowledge."

You collected stray animals and people and tried to help them all. I am so grateful that I was privileged to know you. And Dee, I will miss you until we meet again...

“Ok Miss Dee, I love you and am so glad you were my friend and my shadow at Christ's Chapel. You gave me inspiration and a reason to go on at the job God gave me. May you rest in peace and may all your family be filled with a warmth from our Saviour that you were a true friend to many, the loss and the lonely, the homeless and the needy, and the ones who truly needed a reason to go on. Love to all your family and for being in my life! Kendra
