“ Oh granny g, how I miss you dearly. I love you so very much. I miss coming to your house every day and spending summers at your house when 2nd and kk were little. You held our family together. I miss helping you get your showers and helping you get dressed. I miss spending time with you. I know you are no longer in pain like you were here on earth. But sometimes I'm selfish and want you back with us so things wouldn't be so crazy like they are now. I been talking about you a lot lately. And remembering before you passed I brought an Apple pie to your house and you eat it all. It was before I had my surgery and you made me promise to call you and let you know I was ok after surgery. I love you granny. And I miss you oh so much. Keep watching over each of us. With tears in my eyes, I'm thinking of you wishing you were here.

“ I WORKED WITH MS. JIMMIE FOR 12 YEARS AT CVMS. She was a wonder co-worker but most of all a true FRIEND. We all had the best times while we worked,we laughed,cried and prayed together very often.There is one thing i know for sure and that is SHE LOVED HER FAMILY, from her CHILDREN, GRANDKIDS, GREATGRANDKIDS TO THE NEWEST MEMBER ADDED IN FEBRUARY. She was so tickled about getting to see and hold the newest member of her FAMILY. She will truly be missed. I LOVED HER VERY MUCH. JEAN
